A man in a dark blue chef's uniform and cap stands on a balcony overlooking a football field. The cap features the University of Illinois 'I' logo. The chef's jacket has 'Tim Hoch Executive Chef' embroidered on the left chest and the 'SPECTRA' logo on the right. He is leaning on a metal railing. In the background, a large football field with yard lines and the number '30' is visible, along with stadium seating and a brick building in the distance.

Welcome to the University of Illinois and Memorial Stadium, home of the Fighting Illini! We at Spectra are honored to partner with the University in bringing you a unique and memorable gameday experience. Our Executive Chef, Tim Hoch, and his team have developed a diverse and authentic menu just for you. We strive to serve the "Best Food in the BIG TEN," and will do whatever it takes to ensure that your gameday experience exceeds all expectations.

We thank you for allowing us to be a part of your gameday experience at Memorial Stadium.

POLICIES AND PROCEDURES

GAME DAY ORDERING

Game day orders may be placed with the suite attendant and will be accepted through the end of third quarter. Please allow approximately 45 minutes for all game day orders. Please refer to our Gameday Add-Ons page of the suite menu when selecting your game day choices. A credit card must be on file with the Spectra office or must be provided to the suite attendant for payment of all game day menu orders.

CANCELLATIONS

Should you need to cancel a food or beverage order, please contact Spectra at least 48 hours prior to your event. Full price will be charged to the bill for all cancellations within 48 hours of the event date.

PAYMENT METHOD - CARD ON FILE

All suite holders will set up an account with the Spectra suite office with a major credit card. Your catering contact person will be referred to as your suite administrator. The spectra suite office will keep this information on file for its authorized use. All food and beverage orders will be charged to this account unless otherwise specified. The suite administrator is responsible for any orders placed for their suite. Unless otherwise instructed, at the end of an event the suite host will be presented with an itemized bill detailing all food and beverage purchases charged to the account for that event in addition to an itemized bill to the owner of the credit card. The methods of payment accepted are Mastercard, Visa, American Express and Discover.

MANAGEMENT CHARGE

All additional suite orders beyond the provided menu package are subject to a 15% management charge. This management charge is the sole property of the food/beverage service company or the venue with the catered event (other than employee tips, gratuities, and wages).

The management charge is not a tip, gratuity, or service charge, nor is it purported to be a tip, gratuity or service charge, for any wait staff employee, service employee, service bartender, or other employee, and no part of the management charge will be distributed (as a tip, gratuity, or otherwise) to any employee who provides service to guests. To ensure a safe and enjoyable time and to maintain compliance with the rules and regulations of the state of Illinois and Memorial Stadium, no alcoholic beverages may be brought in or removed from your suite at any time. It is the responsibility of the suite holder to ensure that no minors or intoxicated persons consume alcoholic beverages in their suite. We reserve the right to check for proper identification and refuse service to a person that appears to be intoxicated.

PAR STOCKING SYSTEM

For your convenience, Spectra offers a par stock system in your suite. This system benefits your suite by providing automatic replenishment of the beverages in your suite without the hassle of ordering these items for every event and allows your beverages to be locked and unlocked at your discretion.

The suite administrator establishes a par stock and submits it to Spectra. Spectra then places your par stock in your suite, making it available for every event. If you do not want your PAR stock to be replenished and/or made available for a specific game, please notify Spectra before the corresponding pre order deadline to avoid being charged. The following guidelines will be used when restocking a beverage par:

- Spirits - 1/2 remaining (unless otherwise requested)
- Wine - 1/2 remaining (red) or wine is opened (white)
- Mixers / Juices - 1/2 remaining or expiration date is approaching
- Beer / Soda / Water - stocked back to original number.

All replenished beverages will be charged onto the pre order for the following game. Unfortunately, predetermined packaging of certain items (i.e. 6-packs) cannot be sold on a per-can or -bottle basis. PAR will not be stocked for the last 2 games unless requested.
